

LIBRARY OF CONGRESS

Congressional Relations Office

February 2, 2018

The Honorable Tim Kaine
United States Senate
231 Russell Senate Office Building
Washington, D.C. 20510

Dear Senator Kaine:

I write in response to an inquiry from your constituent, Mr. Bill Halpin, regarding Library of Congress resources for the commemorative observance of Irish American Heritage Month. I recently checked in with the Library's curators, who are making good progress on the new resource guide and images of Irish American materials the Library plans to post on its website. The Library also plans to make this a feature on our homepage, loc.gov, in March 2018.

I hope Mr. Halpin finds this information helpful. I appreciate your contacting me for assistance with this matter. Please do not hesitate to reach out to me again should you need additional information or assistance.

Sincerely,

Kathleen Ott
Director
